York University Markham Campus
Lions Club International Foundation

Markham Mantra Lions Club works closely with the GTA communities. Lion members are proud to give back to the community by contributing and raising funds and spending time to make a difference in the lives of people we touch. We, with the support of sponsors, friends and Lion members, have been able to continually support projects such as Diabetes, The Environment, Disaster Relief, Local Hospital, Autism, Hunger, Vision- Childhood Cancer and many other local and international charitable programs. Our club has supported Diabetes Canada, Tree Plantation, Lions Club International Fund, Markham Stouffville Hospital, School of Autism, Heart and Stroke Foundation, CNIB, Feeding Homeless in Shelter Homes, Canada Dog Guide Program.

About Us

Lions Club International Foundation(LCIF) is an international charitable organization working to make a difference in the lives of less fortunate and those around the world. LCIF is raising \$300M to empower service where it is needed most. LCIF is building sustainable solutions through generous support and the Service of Lions.

ON A MISSION TO SERVE

Lions serve. It's that simple, and it has been since we first began in 1917. Our clubs are places where individuals join together to give their valuable time and effort to improving their communities, and the world.

HUNGER

We help provide healthy meals for the hungry and work to establish strategies and greater capacity for communities in which food is scarce.

THE ENVIRONMENT

We are working with Lions to preserve our planet, knowing that the health of our local communities and environments affects us all. Our goal is to help establish a sustainable future for generations to come.

CHILDHOOD CANCER

Across the globe, too many children are being affected by cancer. We're helping Lions establish programs and provide greater service and access to care for those diagnosed - giving hope to them and their families.

DIABETES

We are providing support to help Lions educate the public and establish programs around one of our new global focus areas; Diabetes.

HUMANITARIAN

Lions take action in their communities, working face-to-face with the people they serve. We support the wide variety of humanitarian efforts implemented and coordinated by Lions and give grants to increase their scale and effectiveness.

DISASTER RELIEF

When disaster strikes, we respond. We provide funding to address preparedness and immediate needs that allow Lions and their partners to be among the first on the scene in the wake of the world's most devastating hurricanes, earthquakes, floods and other disasters.

VISION

We are a world leader in the effort to prevent avoidable blindness, and we're diligently working with Lions clubs and local partners to help provide the local capacity building, training, medications and treatment needed for those with eye diseases and to provide disability rehabilitation and education for all.

YOUTH

We are committed to providing youth and young adults with opportunities to succeed. The Lions Quest program provides young people and their educators with tools to make positive choices, resist drugs & alcohol, learn through service and become healthy young men and women.

Thank You

Please accept MMLC's advance appreciation in the anticipation of your continuous support for a humanitarian cause. Your support really matters! We look forward to connecting with you soon to unite for a great cause.
